Thank you all for your patience regarding this site. Originally, this site was intended to be a cooperative effort with the Sacramento Biofuels Network, but that is no longer the case. Therefore I am looking for new partners to keep the Sacramento Valley biofuels community up-to-date with local events and vendors. If you are interested in helping out, please do let me know. If you are looking to get something specific out of this site, please respond to the poll on the right side of the home page so that I can try to provide you with what you are looking for. In the meantime, I will be re-working the structure of this site to make it easier to find information.

The Sacramento Biofuels Network blog site can still be found at www.sacbiofuels.org.

Send me a note at [mike @ sacbiofuels.com](mailto:mike@sacbiofuels.com) if you have any questions, suggestions, or information you'd like to contribute.

Thanks!
Mike
